SUBJECT: WINKLER Karl Dr.

OPERATIONAL REPORT:

1. Subject was placed on a COI watch list in 1950 for the purpose of obtaining operational information concerning Project Fort Worth (defunct). An analysis of the CCG intercepts which came to the attention of 35124 recently indicate that WINKLER may be engaged or have knowledge of Austrian export activities which might easily be covert East-West trade.
2. In view of the above fact it is recommended that the CCG intercepts concerning WINKLER be forwarded to Austrian Branch.
3. Attached herewith is copy of an intercept concerning twelve locomotives which were allegedly sold to Sweden.
